

Can you complete all the challenges?

# Book Scavenger Hunt

Read a book that has a person's name in the title.

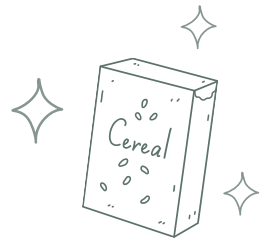

Read a book that teaches you something about weather.

Read a book with a photograph of an animal you've seen in real life on the cover.

Read a book about an important historical person or event.

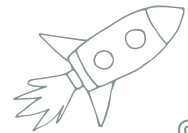

Read the label on a box or can of food in your kitchen or at the store.

Read a book about a place you've been or always wanted to visit.

Think about a topic you are curious about and read 3 or more books about it!

Write a few sentences about your favorite character in a book.

Teach a friend or family member a fact that you learned from a book.

Find your favorite author and read all the books they've written.

**Bonus:** Choose two of their books and compare/contrast the stories!

$$2 + 2 = 4$$

Read a book about math or science.

Create your own dictionary with new words you learn while reading.
