

Colors Are Everywhere!

"Try to be a rainbow in someone's cloud."

Here are some books and activities to help you explore the vibrant world of colors!

Check out these books at your local library!

- *The Colors of Us* by Karen Katz
- *Red: A Crayon's Story* by Michael Hill
- *The Day the Crayons Quit* by Drew Daywalt
- *Mixed: A Colorful Story* by Arree Chung
- *Colores del caribe* por Yanitzia Canetti

*SMART Reading students can access video recordings of all these books. Use the QR code inside a book you've received from SMART Reading to visit SMART Storytime!

Activity Time!

Explore making colors together! Get out some paint (tempera or watercolor will both work well) and invite your child to paint the circles with the color listed in the center. Then, let them mix the colors in the first two columns to make a third color.

Select a Color of the Day:

- Invite your child to choose a color and identify three things that are that color.
- You can ask, "What are some things that are _____? Or "Can you see anything that's _____?"
- Invite them to draw a picture of one or more objects they identify.
