Your Fantastic Elastic Brain Reading Activity Sheet

How do you help your brain grow?

Example: Making mistakes while reading a new word and then correcting yourself helps your brain grow. Mistakes grow your brain.

Your answer:

All about YOU!

“Your brain does all the things that make you YOU!”

What is your favorite food?

What is your favorite word?

What are some things you are good at?

What type of books do you like to read?

What is something that you are working hard to learn or do?

How will you train your brain to keep going when learning gets hard?

When something becomes easy and automatic, what does that say about your brain?
